

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW JERSEY**

UNITED STATES OF AMERICA,	:	Criminal Action No. 04-599(FSH)
	:	
v.	:	ORDER
	:	
ROY DEPACK,	:	January 29, 2009
	:	
Defendant.	:	

This matter having come before the Court upon the Application of Defendant for the Court's assistance in gaining his admission to a Federal Bureau of Prisons' ("BOP") program for the treatment of a self-reported gambling problem, specifically he seeks admission into RDAP; and it appearing that RDAP is the BOP's Drug Abuse Treatment Program and an intensive program for inmates with "severe drug abuse problems;" and it further appearing that only inmates who have a "drug use disorder" are eligible for the program; and the Court noting that it is unaware that Defendant suffers from a "drug use disorder;" and the Court therefore finding that Defendant is ineligible to seek admission into the BOP's RDAP program,

IT IS therefore on this 29th day of January, 2009,

ORDERED that Defendant's application for the Court's assistance in gaining his admission into RDAP is **DENIED**.
